

## Master Attunement 9

### Key Energy

This Attunement carries the energy of Zest for Life, Inner Strength, and Balance of Masculine and Feminine Energy.

You have made great advancements in purging external influences in your life, as you have reclaimed your own Essence.

No longer are you overthinking or trying too hard to be, do, have, give, or create something that is outside of your Authentic Nature.

You have the gift of Discernment and you work in greater Harmony with your Higher Self.

Your mind is re-centered on the essentials of life which include Love and Joy.

You have the capacity to flow with life and be centered in the Love and Joy of being alive!

You have peace of mind.

Past criticisms, disappointment, failure, shame and reacting like a child are being released.

You know that only good comes from each experience and you are safe to grow up.

You comfortably and easily release the old and welcome the new in your life. You are safe.

Your life force energy is increased, and the energy flows freely in your meridians for even greater harmony and balance.

While there is still releasing of the lower vibrational energies it is done with greater ease.

You have access to greater energy and strength when or if you lose your footing and momentarily forget who and what you are.

The recovery time for your Spirit to Calm is magnified tenfold.

This Attunement brings in greater Yin energy when, or if the Yang energy begins to rise too quickly.

Through continued cleansing and clarification, you enjoy greater clarity and truth in your life.

Your Auric field continues to brighten as you release toxins in all layers of the subtle energy body.

Embrace the energy of Zest for Life.
